The cost of each sponsorship will be **£25**.

Do you know of anyone or a company that would sponsor a game?

2016 Cricket Season

Christmas & New Year have already long gone, the weather is wet and cold, so it must mean that the "cricket season" is fast approaching.

The time to return to the ground, to make it ready, undertake repairs, paint, clean and tidy up are all tasks that will need sorting prior to the start of the season in April.

The **Saturday Working Parties** under the direction of the Chairman will commence on the **13th February**.

Even if you can only help for an hour this will be of great help.
