2nd Team Capt—Mark Clewes

Players / Volunteers

If you know anyone who would like to join Walton CC as either a player (Senior or Junior) / volunteer or just as a member then get them to contact the club on waltoncc1873@aol.com

All Stars Cricket

The first, fun, active form of the game for 5 to 8-year-old boys and girls

The ECB on Monday 20th March 2017 launched the first nationwide entry-level participation programme for cricket, with the aim of getting 50,000 boys and girls excited by the game of cricket this year.

A new generation of families will be introduced to give 5-8 year olds their first experience of the game of cricket through All Stars Cricket, a major new grassroots initiative which starts at **Walton CC on Tuesday 23rd May.**

Parents/Guardians can register their kids to take part via allstarscricket.co.uk.

After signing-up, boys and girls will have a cricket 'back-pack' delivered to their door with a bat, ball and everything they need to try the game for the first time.

They will then start an eight-week programme, with the emphasis placed firmly on learning how to play the game in a fun, safe and inclusive environment. Children will also learn the social development skills that team sport brings.

Each session of the 8-week programme - developed with input from Andrew Strauss and the England performance team - will give children the basic skills they need to develop a lifelong love of cricket.
